Summary: The HamHams stumble across a large tree which is the clubhouse to the HamHam HAMS.

1. Ignore this chapter It's crappy

****A/N:** This story sucks because I had my friend (piellio19) make the document because the document manager/story creator/chapter manager wouldn't work for me, and she doesn't know the names of the characters and she is bad at writing most stories. Please read and review! **

****Disclaimer:** I don't own Hamtaro and neither does my friend. The creator of Hamtaro does. **

Chapter 1: The party and the hamhams go into the hamham HAMS treehouse.

"Ok, come over to my house at seven." Said the person who owns Hamtaro to all her friends.

And they came over with their hamsters.

And then, the hamsters went to their clubhouse, but they were running from the dog, and they came into the hamham HAMS clubhouse. Which is a ridiculously huge tree.

2. A note from Piellio19 aka the friend who...

Nae (Dimond Dreamer), please do not delete this note. I believe all readers should read this.

A note from Piellio9 (aka the friend who wrote the first chapter)****

This story is short because I haven't watched Hamtaro since first grade, and never liked it after then. My cable company (Comcast)

doesn't show Hamtaro anymore. This was also my first Hamtaro fanfiction and I had writer's block that day. The only fanfics which you can expect to have a nice, atleast 1 page long story is Avatar: The Last Airbender fanfics and Teen Titans fanfics.

**And now for a note especially for dirtbag:**

Ok, My friend nor I said flaming was welcome. If you are going to make negative comments about my semi-crappy writing (because my friend could have just wrote the story and e-mailed it to me, but instead told me to write a fanfic chapter in a show which I haven't saw in 4 years (2 school years)) you could atleast be polite about it. I actually could be a good writer, and if I took a couple hours and carefully planned it out, you'd be seeing a nice, 4 page chapter of Avatar or Teen Titan fanficsâ€¦.. Go ahead and read my A Trip to the Past fanfiction, and before you review anything, **_READ ALL THE CHAPTERS!_** Ok, got that?

Well you better, otherwise I have to say you're a complete retarded idiot.

And now, I am done.

Enjoy the REAL FIRST CHAPTER which the REAL dimond dreamer (Nae) will write.

Until then, stop acting like an illiterate moron.

End
file.
